

# FUNDRAISING

**Dominate Your Marketplace Through The Non-Profit Community**

# The Checklist

**Take the checklist test to see if your business can benefit from the Bowling Rewards fundraising program.**

- ✓ Your business receives numerous requests from local non-profits or organizations to donate precious time or resources to their projects. You are afraid to say no but don't have a program in place that supports all of these requests while increasing your profitability at the same time!
- ✓ You are tired of spending money on traditional media that is difficult if not impossible to reliably track and measure.
- ✓ You would like to turn support of local non-profits into a revenue stream rather than an expense with complete tracking, accountability and verifiable ROI.
- ✓ You are interested in a program which increases word of mouth referrals and drives new customer acquisition on an ongoing, basis where expenses only occur after the customer has paid **full** price.
- ✓ You desire a system which integrates all the data accumulation without paper forms, sign-up sheets, fish bowls or any other hard to organize option so you can send relevant communication to targeted demographics.

# Fundraising is the Door Opener to Your Community

Cause marketing is the hottest trend in loyalty. Over 87% of customers in a recent study indicated an increased propensity to visit a business that supported their desired cause. When we support our customers' heartfelt need (their school, church, non-profit, etc.) we tap into one of the most powerful emotions in retail history to drive spending and visitation. Furthermore, a properly implemented fundraising strategy has shown to be the #1 driver of new customer acquisition and increases word-of-mouth referrals substantially.

Bowling Reward's fundraising program can revolutionize the profitability of your business while reducing, even eliminating discounting. There is no expense or funding until patrons are frequenting the business and paying full price.

Best of all, Bowling Reward's proprietary fundraising program opens doors into your community that otherwise remained sealed. When you come knocking with an automated system to reward non-profit members and donate to their organization 24x7 with complete accounting transparency, the door to the administrator's office is held open for you to sit down.

Let's see how easy it is to setup. . . .

# Activate Non-Profit Tracking Account

## How to Get Started Activating Your Fundraisers

1. Login to your Bowling Rewards account online with your user ID and PW and click Request New Fundraiser.
2. Fill out the form below with the starting card number and ending card number.
3. Assign a percentage of each sale to be allocated to this specific non-profit.
4. Indicate the amount of free value to pre-load on the card to drive initial visitation and building of your database.

Fundraiser Name	Johnson Middle School
Street Address	123 Main Street
City	Lanham
State/Province	MD
Zip/Postal Code	20706
Starting Card Number	901004000
Ending Card Number	901004199
Donation Percentage	10%
Initial Gift / Rewards / Games Load	10

# Distribute Cards to Non-Profit Organization

- Simply distribute cards preloaded with gift value, rewards, free games or any other similar type item to drive the initial visitation and build your database.
- Explain the benefits to local non-profits in town on how these cards will generate cash back rewards for members PLUS an ongoing donation whenever money is spent at the business.
- When customers arrive to redeem their free gift, cards are processed on your credit card machine or internet terminal exactly like any regular rewards card transaction.
- After each qualified sales transaction, the cardholder earns a reward AND a designated % of the sale is electronically allocated to the cardholder's charitable organization as a donation.

## Bud Bowl

1933 E. Main Street  
Langhorne, PA 19047

Monday 04/13/09 11:26 AM

Card #: 999999900

Dan Pogach

### Transaction Summary

Number	Type	Amount
090413005	Add Rewards	2.00
	Sale Amount =	\$20.00

Category: OPEN PLAY CASUAL

### Card Summary

Previous		Current
0.00	Gift Bal.	0.00
10.01	Reward Bal.	12.01
5	Games Bal.	2

You have \$12.01 in rewards and 2 games remaining on your card.

### Fundraiser Summary

**10% Donation Rate**

**You just earned \$1.00 for  
Johnson Middle School.**

# Alternative Circulation Plan

Since postcards cost much less than plastic cards, you might prefer a wider distribution plan to mass produce and circulate a 4x6 postcard advertising the rewards and fundraising program.

These postcards are then circulated through non-profit distribution channels and encourage consumers to stop by your business to get their FREE Rewards & Fundraising card preloaded with value toward a future purchase.

The postcards may also tie into a seasonal promotion to drive business during slower periods of the year such as a 'Kids Summer Promotion' or 'Double Cash Back Rewards Mondays & Tuesdays', etc. Your imagination is the limit.

Although not required, we always recommend contacting existing B2C suppliers you spend tens of thousands of dollars with each year to help you promote their brand by helping to offset program expenses in cash or trade.

HERE'S 200 GAMES OF BOWLING FOR FREE!

**COLERAIN BOWL**

**IT'S EASY AS 1-2-3**

1. Activate your card at [www.colerainbowl.com](http://www.colerainbowl.com).

Entire families can get 2 free games of bowling every day too ALL Summer long with more benefits all year round.

Visit [www.colerainbowl.com](http://www.colerainbowl.com) for details.

# Automated Thank You Note - Email

- The day after visiting your center, your fundraising customers will receive a thank you email. It will detail the cash back rewards and donation earned for their charitable organization.
- These emails are sent to your customers directly from Bowling Rewards every single day on auto-pilot. These messages act as a cementing benefit reminding customers of their visit and how your business supports them with every transaction.
- There is even an option to rank cardholders within the organization to encourage greater patronage (i.e. Top 10). This can be tied to prizes earned such as a free game or even a free ball.

## SAMPLE THANK YOU NOTE - EMAIL

From: Bowling Rewards  
To: [maria7687@yahoo.com](mailto:maria7687@yahoo.com)  
Subject: Bud Bowl Reward

Dear Maria:

Thank you for visiting Bud Bowl. Your balance has been updated, you now have \$9.00 in Rewards which are available to redeem right away on bowling and shoe rentals. We look forward to seeing you again soon. Please note you can log in and check your Gift and Reward balances at any time from [www.bowlingrewards.com](http://www.bowlingrewards.com).

We are also pleased to inform you as a result of yesterday's visit you earned a \$1.45 donation back to Johnson Middle School and have earned \$55.40 in donations to date. You are ranked #2 in your school for donations this month.

Join us May 5th for the best Rock 'N Bowl party of the year. Pizza, pins and pop specials all night long. Call 562-201-5680 to reserve your lane.

Sincerely,

Bud Bowl  
562-201-2580

Customize your emails anytime with timely events and promotions, SPONSOR MESSAGES, VISITATION BONUSES or other strategies designed to increase frequency and spending.

# Reporting and Funding

- Access new fundraising reports directly from your Bowling Rewards account in real-time.
- Sort reports by date, sales, accrued donations for current month, previous month or any date range.
- Cut checks directly to non-profits on monthly basis or quarterly basis at your discretion.

# Complete Accounting Transparency

- Bowling Rewards offers the only fundraising program in the world today with real-time transparency and accountability. Non-profits can be assured donations accrued from members are accurate to the penny.
- Non-Profit leaders can login to their own private organization account over [www.bowlingrewards.com](http://www.bowlingrewards.com), a trusted 3rd party website, to review donations and sales activity from their members in real-time.
- Develop ongoing monthly promotions with fundraising clients to reward Top 5 customers with special prizes to create organization-wide publicity and friendly competition.

## Johnson Middle School

A teacher in a pink jacket is standing in front of a large screen displaying a world map. She is pointing at the map with her right hand. The screen also displays text about transparency and accountability. In the foreground, the backs of several students' heads are visible, showing they are in a classroom setting.

**Transparency, accountability and reporting means people of influence will promote your business to their students, members, etc.**

**"Yes Johnny. Orlando is in the state of Florida."**

**"And when your family uses their rewards card at Bud Bowl, you help raise money for our class trip to Disneyworld!" ~ Miss Maria**

**Engage local schools and organizations to promote YOUR brand with priceless publicity.**

# Attract Sponsors to Underwrite Card Costs

Ask your top B2C suppliers or surrounding businesses to sponsor your Bowling Rewards program by adding their logo to your cards in exchange for cash or credit in trade. Sponsors may realize a myriad of benefits, including:

1. Permanent advertising and goodwill to your client base.
2. Exclusive branding from direct competitors.
3. Branding on posters, banners, video screens etc.
4. Additional advertising via website or thank you emails.
5. Direct promotion to drive spending to the brand, i.e., Earn DOUBLE cash back rewards when a large Pepsi fountain drink or bottled beverage is purchased.

**Many clients are applying these very techniques to receive cards either for free or at reduced net cost. We can show you how to benefit from card sponsorship.**

# Communicating with Non-Profit Customers

As cards are activated by customers through your fundraising distribution efforts, your membership database continues to grow. Soon it will be time to establish contact and encourage those who are patronizing to come back more regularly and get those still on the fence in the door for the initial visit.

Since Bowling Rewards offers truly INTEGRATED email and mobile text marketing modules built right inside your account, you can easily query your database by desired non-profit organization. Then, send out an email campaign reminding customers how patronizing your business funds their charitable organization.

# Bowling Rewards Summary

**The Bowling Rewards Fundraising program can literally drive hundreds (if not 1000s) of new customers to the business with built-in rewards and email/text marketing programs to bring them back more frequently. Benefits include:**

1. Engages local schools, churches, and other non-profit groups to promote your business for **FREE** to their members.
2. Captures and builds your own private database with each visit without paper forms or sign-up sheets.
3. Reduces reliance on discounting and other paper advertising.
4. Increases visitor frequency and spending through cash back rewards and automatic thank you email reminders to come back.
5. Promotes your brand an average of 8 times per day by customers each time they open their wallet and see your card.
6. Supports the local community while increasing your bottom line simultaneously.
7. Offers secure, real-time accounting transparency to your valued fundraising clients.
8. Pay for advertising only after the customer has paid you.
